Hill Shot Replacement Turf: Standard Fairway

The **Hill Shot Standard Fairway Replacement Turf** is ideal for home and medium duty commercial use. As with all Hill Shot replacement turfs, it is cut to size and fitted with velcro strips for quick and easy fitting to the Hill Shot Golf Trainer. The long pile polypropylene fibres of the **Standard Fairway Replacement Turf** provide a truly natural feel. The turf will not allow the ball to roll - allowing play from any location on the hill surface. **RRP \$349.00 (Incl. GST, Free Delivery*)**.

Hill Shot Replacement Turf: Deep Rough

The **Hill Shot Deep Rough Replacement Turf** allows the Hill Shot Golf Trainer to provide realistic off-the-fairway challenges. As with all Hill Shot replacement turfs, it is cut to size and fitted with velcro strips for quick and easy fitting to the Trainer. The 45mm pile allows the ball to nestle down, as it would on the golf course, requiring the player to "dig" it out. After practicing your hill shots with this turf, there's nothing on-course that will intimidate you. **RRP \$399.00 (Incl. GST, Free Delivery*)**.

Hill Shot Replacement Turf: Long-Lasting Fairway

The **Hill Shot Long-Lasting Fairway Replacement Turf** is specifically designed for heavy duty commercial use. The extremely durable long pile nylon fibres provide a natural feel, and as with all Hill Shot replacement turfs, will not allow the ball to roll. This allows play from any location on the hill surface. Of course, the turf is cut to size and is fitted with velcro strips for quick and easy fitting to the Hill Shot Golf Trainer. **RRP \$399.00 (Incl. GST, Free Delivery*)**.
