

Practice with Purpose.

The **varietee™ Netette™** is the perfect net for office or lounge room chipping practice - for all the little shots around the green that you need to master. The **Netette™** sets up and packs away in seconds - to just a couple of cm thick. It's also a great companion to your outdoor practice net to catch any mishit shots. It is 120cm wide and 70 cm high, weighs just 700g and comes with hold-down pegs and a handy storage/carry bag. **RRP \$59.95 (Incl. GST, Free Delivery*)**. Design Registration Pending.

Using the **varietee™ Golf Practice Pin** as a chipping target really makes sense. Most golf pros agree that good visualisation is really important for good golf. What better visualisation than your own pin. Get a few and set up your own chipping course in your back yard. The **Pin's** spike will not damage the lawn like other pin & cup products. The **Pin** is 150cm tall, has a 43 x 34cm flag in a choice of colours and separates into two parts for easy storage. **RRP \$17.95 (Incl. GST, Free Delivery*)**.

The **varietee™ RightAlign™** is the best value-for-money alignment device on the market. It's simple, but it works. The bright yellow rails give the golfer highly visible reference lines for correct alignment of the shoulders, hips and feet and for the position of the ball in the stance - perfect for interpreting swing advice and tips from pros and golf magazines. The rails are 100cm long and weigh just 140g. They slip perfectly into your golf bag. **RRP \$19.95 (Incl. GST, Free Delivery*)**.

The **varietee™ Great All-Rounder** is the most versatile sports net on the market: it's a great kids golf practice net; it's a fantastic automatic wicket keeper for cricket; and it's a great portable training goal for soccer, hockey, lacrosse, etc. Truly a **Great All-Rounder**. It sets up and packs away in seconds - to just one inch thick. It is 180cm wide and 110 cm high, weighs just 1.25kg and comes with hold-down pegs and a handy storage/carry bag. **RRP \$59.95 (Incl. GST, Free Delivery*)**.

d'Crouza is truly proud to introduce the **Hill Shot Golf Trainer** to Australia. "The Hill" has won Best New Product awards at the Orlando, Las Vegas and Toronto PGA Golf Shows. It is 1.5m dia, has a 10° slope and weighs just 27kg. Stand it up and roll it away at the end of the day - it sleeps standing up! It's a breeze to adjust the slope direction without even bending down. Great for teaching pros, driving ranges and the backyard. **RRP \$1,495.00 (Incl. GST, Delivery POA†)**. US Patent No. D412955.

The **varietee™ Adjustable Golf Practice Platform**, the ultimate in golf practice equipment, was featured in this year's series of ABCTV's New Inventors. Not only can you adjust the slope direction, but you can also adjust the slope itself - from flat right up to 12°. The **Platform** is 1.65m diameter to suit all standard octagonal driving mats. A great revenue generator for the driving range, or for serious backyard practice. **RRP \$5,950.00 (Incl. GST, Delivery POA†)**. Patent Pending.

All prices are in Australian Dollars and include GST. * Excludes remote areas. † Price on application. See reverse for order form. d'Crouza Products Pty Ltd. ABN 40 105 696 099 T: 1300 856 782 (Aust. Only)
